Chapel of
St. John the Baptist

Cemetery of
Jeduševac

the forest

Did you know?

- Every person from Jeduševac has at least 2 animals.

Why do I like living in Jeduševac?

- Jeduševac is a very beautiful and traditional village. We may not have lots of shops or the greatest Internet connection, but we have peace and nature. In Jeduševac you can enjoy your morning coffee without annoying cars driving by. There is also a lot of fresh air from the forest. My family has been living in Jeduševac for years now.
